

FUNC MOBILE MOTORIZED FLIPSTER

Move around, rotate - and adjust the height!

Func Mobile Motorized Flipster will help you move around, rotate, and - perhaps best of all! - height-adjust your touch display.

The stable and easy-accessible design is perfect for Samsung Flip 55" and other rotating touch displays. You can easily flip the display from landscape to portrait orientation by hand – no tools needed! Furthermore, the smooth and quiet motorized height adjustment ensures that the user can work ergonomically, whether very tall, short, standing up or sitting down - the Func Mobile Motorized Flipster is excellent for people with different needs.

A storage box is included. The neat wheel base and sturdy wheels, 100 mm, makes the unit easy to handle. The floorstand is developed for touch displays up to 55".

Max 55" can be rotated in lowest position of floorstand. Available in white.
